

Wirt Ghawdex

Site tour

for our members and their families

Saturday June 20, 2009

We are inviting you to a free tour of Wirt Ghawdex's restoration sites. This is a chance for our members to see first hand the progress of our current projects.

A bus will pick us up from the Victoria car park (next to the bus terminus) at 3:00 pm and proceed to Mgarr for a visit to the Dghajsa tal-Latini. Our second site will be the Santa Cecilia Chapel and then proceed to the Mgarr ix-Xini Tower. Here we will have a short rest and enjoy the view (please bring your own refreshments). Our last stop will be the Citadel where we have already finished most of the restoration work of the Gunpowder Magazine. Everyone will also be able to enter into the newly opened Silos. Tour will be approximately 4 hrs. long.

Those interested please call Jay Jones on 21563839 and book your names by Wednesday June 17, 2009. Non-members are welcome to join us for a small fee of €5 per person or €10 per family (2 adults + 2 children).

Please make sure that you wear comfortable shoes because some walking is required. Hope to see you all there.
