## Voluntary work by HSBC Gozo employees

As part of their social contribution towards the local community, **HSBC Victoria Gozo** management, staff and family members spent several hours volunteering with **Wirt Ghawdex**. They were first given a tour of all the sites managed by the NGO which ended at the Mgarr ix-Xini Tower.

Here, they took on various maintenance tasks that are necessary for the upkeep of the tower. Once the work was done, everyone took a well deserved break and enjoyed the breathtaking views around them before returning home. This cultural and volunteering event was enjoyed by all

and plans are already being made for a similar experience in the near future.
