

Wirt Ghawdex

Press Release

Wirt Ghawdex would like to inform the general public that for the Lejlet Lapsi event, to be held in Gozo this weekend, it will open, free of charge, two of its sites under its management – the Gunpowder Magazine and the St. John Demi-bastion, including the nearby silo-pits, at the Citadel in Victoria, and the Mgarr ix-Xini Tower, at Xewkija, limits of Ghajnsielem. These have formed part of some of the restoration projects undertaken by *Wirt Ghawdex*. The silo-pits will be open to the public for the first time.
